TECHNICAL SKILLS AND PROJECTS

HTML, CSS, Javascript, React, Node.js, Express, MongoDB, SQL

Fetch: A social networking website for Pets! Whether your furry friend is looking for love or just a playdate, Fetch connects you with the paw-fect mate to share your toys with.

Weather Dashboard: This is a weather app that features a search by city function and displays a 5 day forecast using the Open Weather API.

Stumble Upon the Force: This is a Star Wars trivia generator. It uses two APIs - SWAPI and the Star Wars Quotes API

Day Planner: This is a quick app to help plan your day that will store persistent data.
